D.C. from Saskatchewan says:

"We really like the Separett toilet. It is perfect for the location of our log cabin in northern Saskatchewan. It works very well. This is a great product and the service we have received from you and your company has been exceptional. We truly do appreciate this service."

Barry of Mazinaw lake, Cloyne, Ontario says:

"At first I was skeptical about the Separett being odorless. My first test the May 24th guy's long weekend, do I need to say anymore. This toilet performed flawlessly, it's easy to install, clean and maintain (emptied once a year). Need a new septic system? Why spend \$25,000 when you can buy a Separett at a fraction of the price with less maintenance and hassle. Yours truly, Barry Clayton."

Wayne of Listowel, Ontario says:

"I liked my brother's Separett toilet so much I went out and bought myself one"

Bruce and Mary of Mitchell, Ontario say:

"We love our Separett Villa. It is truly odorless and is very easy to maintain"

Brian of Innisfree, Alberta exclaims:

"I love the Separett product!"

Bill from Ottawa Exclaims:

"Hi, I bought one of your toilets for the cabin. WOW! What a treat. The cabin is small so there is no space for a separate room for the toilet. I cannot believe that I get less odour from the Separett than from the toilet in the city. We have used an outhouse since we built about 45 years ago. I have rejected all composting toilets that I have seen before."

"By the way if you need someone to spell you off during the cottage show in the spring here in Ottawa, let me know, I would be pleased to help."

Eric from Port Perry, Ontario says:

"This is one fantastic product!"

Jim from Yarmouth, Nova Scotia says:

` Hi, we already have a separett that I put in a few years ago, and I am very pleased with it compared to our other composting toilet; so I would like to order another one to replace the other composting toilet that we have. Thanks. `
